File				Added on
Invoice.docx (67,11 KB)				09.07.2025 16:11
Timesheet.xlsx (22,65 KB)				09.07.2025 16:15
Timesheet_2025.07.09_16.17.28.xlsx.pdf (20,58 KB)				09.07.2025 16:17

Open office files in view mode II

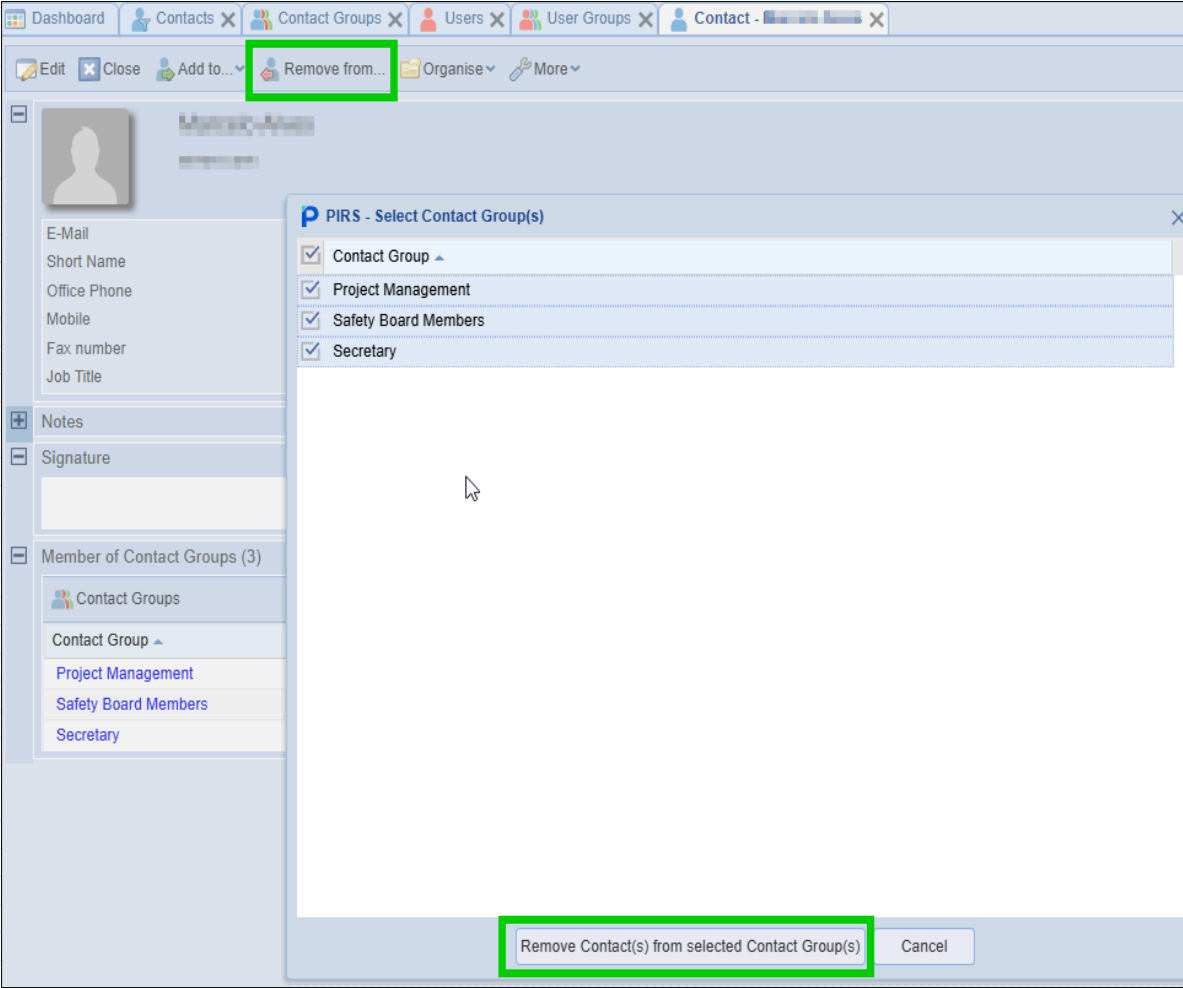

From view mode users can easily switch to review or edit mode and back in office online:

Please talk to SOBIS to enable the default view mode in your PIRS application.

Remove Contact(s) from existing Contact Group(s)

New button in Contact provides the option to remove the Contact from multiple Groups:

It is also possible to process multiple Contacts in one step:
