

## **PIRS - Improvements**

**Release 2025.9**

# Show file size and date/time in document grid of Transmittals

New option to show **file size** and **date/time** of files in the Documents grid for Transmittal:

Documents (3)   Body   Attachments   Posts   Access							
Add / Remove document(s)              Fill document grid...              Remove selected document(s)              Download attachments              Bulk change...							
<input type="checkbox"/>	Doc Number ▲	Revision	Valid		Title	Document Status	Attachments
<input type="checkbox"/>	SIL-000320	A	Yes		Motor assembly AX-4500 rotor coil MK 2.1	10. Draft	100cc-motor-parts.pdf (2,70 MB / 17.05.2025 15:23)
<input type="checkbox"/>	SIL-000325	A	Yes		Transformer core TC-1500 winding wire WW 4.6	10. Draft	SEC-478455-SR1--A--Motor assembly feedback.pdf (2,70 MB / 17.05.2025 15:23)
<input checked="" type="checkbox"/>	SIL-000326	A	Yes		Engine block EB-8000 crankshaft CK 9.4	10. Draft	<div> <input type="checkbox"/>  SEC-887188-SR1--A--Motor assembly Brake.pdf (2,70 MB / 17.05.2025 15:23)           </div>

Please talk to SOBIS to enable the option in your projects.

- Improve validation of full text search query input
- Simplify administration of stamps used in File Viewer
- Simplify administration of workflow setting
- Update of embedded editor to latest version
- Avoid upload of files with 0kb
- Fixes
